

# Steps for Success - Registration Form

## Each Step Makes an Impact

Let's face it; conferences are great places to learn about trends, connect with industry leaders, and consider a new way to solve challenging problems. They are also a bit hard on your feet. Walking back and forth to the various sessions and social activities can take a toll on your soles. Now you can change your perception; each step can have meaning. All the walking, running, hiking, and dancing can help fund programs for children.

## Introducing the Steps for Success Program

The **Steps for Success** program is a fundraising effort for the Boys & Girls Club of Las Vegas. Participation is simple; purchase and connect your pedometer, count your steps, text your results, and make a difference in the lives of Las Vegas children.

Here's how it works: Through the generosity of our sponsors, every step you take will count toward a collective conference goal of 5 Million steps. As we reach each 1 Million-step milestone, the Steps for Success sponsors will contribute to the Boys & Girls Club of Las Vegas. And, the individual with the most total steps will receive a free registration to the 2014 NAPA/ASPPA 401k SUMMIT in New Orleans!

Don't be left out! Register for your pedometer and participate in the Steps for Success program, a simple step toward making an impact in a child's life.

**A \$15 participation fee will cover the cost of a pedometer and provide supporting funds for the Boys & Girls Club of Las Vegas. Sign up today and make walking a fun, meaningful part of the 401(k) SUMMIT.**
