Based in the Washington, D.C. area, the American Retirement Association is a non-profit professional organization with two major goals: to educate all retirement plan and benefits professionals, and to create a framework of policy that gives every working American the ability to have a comfortable retirement.

The American Retirement Association is comprised of five premier retirement industry associations:

- **NAPA**
  National Association of Plan Advisors

- **ASPPA**
  American Society of Pension Professionals & Actuaries

- **PSCA**
  Plan Sponsor Council of America

- **NTSA**
  National Tax-Deferred Savings Association

- **ASEA**
  American Society of Enrolled Actuaries

Each association’s vast and influential audiences can be directly reached via ARA’s wide spectrum of media channels including digital, print, content marketing, webcasts, and more.
THE 5 AUDIENCES

NAPA
The National Association of Plan Advisors (NAPA) is focused exclusively on the issues that matter most to retirement plan advisors. This exclusive focus is what sets NAPA apart. With approximately 20,000 members (90% of whom are retirement plan advisors) and more than 250 Firm Partners (including all major broker-dealers, DCIOs, RIAs and recordkeepers), NAPA is the primary information and advocacy source for retirement plan advisors. More than 40 million participants are covered by the DC plans with which NAPA members work, and more than $4 trillion in DC retirement plan assets are under management with members and Firm Partners. NAPA is committed to providing timely and highly relevant content to the greater advisor community through thought leadership, legal and regulatory information, data, news and information. The hub for this information is the NAPA Net web portal, the NAPA Net Daily newsletter and NAPA Net the Magazine.

ASPPA
The American Society of Pension Professionals & Actuaries (ASPPA) offers its more than 7,000 members, including business owners, actuaries, TPAs, recordkeepers, consultants and more, extensive retirement educational opportunities, paired with a strong advocacy. Educational opportunities include robust credentialing, certificate and continuing education programs, along with conferences and additional networking opportunities in the industry.

PSCA
The Plan Sponsor Council of America (PSCA) is dedicated to serving the evolving needs of defined contribution plan sponsors who seek an unbiased source of industry information, education programs, regulatory updates, and advocacy for the cause of the private retirement system. PSCA is on the forefront of protecting America’s retirement system assisting more than six million plan participants and providing its members with programs and services to help them better manage their company’s retirement plans. Throughout its history, PSCA has provided its members with added-value benefits that enable plan sponsors to leverage best practices in compliance, communications, administration and plan design, including legislative and regulatory updates, national and regional conferences, online training, research and benchmarking, communication and plan management best practices, and much more.

NTSA
The National Tax-Deferred Savings Association (NTSA) is the nation’s only independent, non-profit association dedicated to the 403(b) and 457(b) marketplace and includes practitioners, agencies, corporate and employer members. NTSA’s mission is to provide high-quality professional education, technical support, and networking forums for all professionals in the 403(b) and 457(b) marketplace.

ASEA
The American Society of Enrolled Actuaries (ASEA), formerly known as the ASPPA College of Pension Actuaries (ACOPA), is the primary source of professional organizational support for pension actuaries, and is charged with carrying out ASPPA’s responsibilities as one of the most recognized U.S.-based actuarial organizations. All credentialed actuarial members of ASPPA are members of ASEA.
ARA offers multiple opportunities to reach members through a plethora of digital products. Advertising is available on four organization web sites and in four targeted e-newsletters. We also offer content marketing and exclusive Product Profiles to each audience.

NAPA NET THE MAGAZINE ISSUE ACCOLADES

Spring Issue
The Spring issue of NAPA Net the Magazine features our annual list of the Top Young Retirement Plan Advisors Under 40. Established in 2014, the list is drawn from nominations provided by NAPA Broker-Dealer/RIA Firm Partners, vetted by a blue-ribbon panel of senior advisor industry experts based on a combination of quantitative and qualitative data submitted by the nominees. These “Aces” are widely seen as the future leaders of the retirement plan advisor industry – and some already are.

Summer Issue
Launched in 2014, the list of Top 100 DC Wholesalers – Advisor Allies – acknowledges the true partnership they foster with advisors. Finalists for this list are selected based on votes cast by several thousand advisors from a list of more than 600 wholesalers nominated by NAPA recordkeeper and DCIO Firm Partners. We further highlight the “Top 10” in both DCIO and RK roles.

The NAPA Top DC Advisor Team list highlights the nation’s leading retirement plan advisor single-office teams. This list highlights defined contribution advisor teams, broadly defined as being in a single physical location, and having at least $100 million in DC assets under advisement. In this issue we also acknowledge firms with more than one physical location in our annual list of Top DC Advisor Multi-Office Firms.

Winter Issue
In what has long been a male-dominated profession, a large, and growing, number of women are making significant contributions to this field. We honor the best and brightest women in the industry, in three separate categories: Captains, All-Stars, and Rising Stars.
NAPA Black Book
Reach America’s leading retirement advisors all year long through the most trusted brand in the industry. The annual NAPA Black Book serves as the definitive guide for America’s retirement industry leaders – the serious retirement plan advisor’s “Go-To” guide. The Black Book includes listings from companies in the DCIO, Recordkeeper, BD/RIA, TPA, Tools & Technology, FinTech, Financial Wellness, NQDC and HSA areas of the retirement industry.

Exclusive to NAPA Firm Partners is the opportunity to reach the nation’s elite plan advisors with an Enhanced Listing. These listings consist of a full page comprehensive profile and a full page 4-color advertisement, prominently displayed in order to stand out from your peers. The Enhanced Listing will also appear on the digital version of the Black Book, and will serve as an electronic reference tool for advisors and other retirement professionals. Purchase an Enhanced Listing, and not only will you distinguish yourself from your category competitors, but you’ll also receive a complimentary NAPA Product Profile, valued at $9,000.*

*Please note: This offer does not apply to previously booked Product Profiles. Product Profile run dates are based on availability.

NAPA 401(k) Summit Insider
The 2022 Summit Insider will be NAPA’s fifth annual survey of the NAPA 401(k) Summit’s onsite advisor attendees. The publication summarizes the perspectives of more than 500 retirement plan advisors and home office staff on a range of issues – the criteria in selecting – and rejecting – key business relationships, the things that are over-hyped—and the things that no one is talking about – but that everyone, at least in the eyes of these “Insiders,” should be. The 2021 Summit Insider also included insights on retirement income, important features in choosing target date funds, rollovers and outcomes. While much has changed in the past two years, advisors’ perceptions of how to adapt their businesses is an ongoing process. The 2022 Summit Insider will be a tremendous opportunity to learn even more about their current practices, perspectives about where the industry is headed, and what it could mean for them in the months ahead as business efforts return to some semblance of normalcy. The results will be tabulated and shared in a special pull-out section of the Summer 2022 issue of NAPA Net the Magazine. Sponsors have the option to suggest topics to be included, and get a copy of the raw survey data (anonymized).

ASPPA’s Plan Consultant
2022 Featured Topics include:
Compliance & plan administration • Business practice tips and traps • Cybersecurity • DOL, IRS and PBGC regulatory activity • State auto-IRA plans • Impact of litigation • Industry sales and marketing ideas • Actuarial practice & developments • Legislation on Capitol Hill and state capitols • Professional ethics
