- Records of completion of third-party CE must be maintained by the designation holder for a minimum of two (2) calendar years following the calendar year for which the CE credit is reported.
- Third party CE is subject to audit.

NAPA Provided CE

- NAPA will record CE credit for participation in NAPA CE events.
- NAPA will ensure that that NAPA provided CE meets both continuing education content standards and addresses retirement plan related Relevant Topics.
Compliance and Audit

The audit of third-party CE is conducted for the benefit of all NAPA members and credential holders. The CE audit process demonstrates NAPA’s ongoing commitment to professionalism and the integrity of the program. The CE audit process helps ensure compliance with the CE policy, but more importantly, will help NAPA identify opportunities to continuously improve the CE program.

The Audit Process

NAPA will conduct an annual audit of reported third-party CE. The audit will encompass a randomly selected representative sample of designation holders who reported third-party CE the prior calendar year. Designation holders who are randomly selected for the CE audit will be asked to provide suitable documentation to substantiate the claim that reported third-party CE meets the Continuing Education Content Standards. In general, the documentation must demonstrate:

- The content was developed by a subject matter expert with expertise pertinent to the subject matter
- Time on task for the CE credit awarded
- The member has successfully completed or participated in the entire program

The designation holder subject to audit will also be asked to provide a description of the CE session for any third-party CE reported to satisfy the ethics or retirement plan related Relevant Topic requirement.

Suspension of Designation

NAPA designations may be suspended for the following reasons:

- Failure to comply with the NAPA Continuing Education Policy
- Failure to renew NAPA membership or pay NAPA credential maintenance fee as applicable
- Violation of the NAPA Code of Conduct

Failure to comply with the NAPA Continuing Education Policy

Designation holders will have until March 1 of each calendar year to report CE for the prior calendar year CE cycle. NAPA provided CE earned prior to March 1st of each calendar year may be applied to the CE reporting cycle for the prior calendar year. In no case will CE be recorded for more than one CE reporting cycle. If the failure to comply with the NAPA Continuing Education Policy results from the audit of third-party CE, the designation holder will have 60 days from the date of notification to correct the deficiency.

Failure to renew NAPA membership or NAPA credential maintenance fee

Designation holders are expected to remain NAPA members in good standing and make timely payment of any designation maintenance fee that may be required by NAPA. Failure to pay any required fees prior to March 1 of each calendar year will result in suspension of the designation.

Violation of the NAPA Code of Conduct

Suspension and or revocation of designations due to actual or reported violation of the NAPA Code of Conduct is addressed in the NAPA Code of Conduct Disciplinary Procedures.
Revocation of Designation

The designation will be revoked for designation holders who do not correct the deficiency or deficiencies that initiated the suspension of the designation within the parameters outlined in this policy statement and/or any communications from NAPA regarding the suspension of designation.

If the designation is revoked, all NAPA records and reports will be updated to reflect the revocation. This may include updating the designation holder database available to the public.

Reinstatement

Reinstatement may be granted if the following conditions are met prior to the end of the calendar year following the calendar year a designation is suspended or revoked:

- The reinstatement application and new membership application is submitted,
- Required fees including membership, credential maintenance and reinstatement fees are paid in full, and
